

# FRANK JENSEN

## SOFTWARE DEVELOPER

### INTRODUCTION

I'm a full-stack developer with professional experience from small startups, digital agencies and large enterprise companies. My developer style is simple and clean, with high quality and usability in mind. I enjoy facilitating connection between backend, frontend and design.

I'm 36 years old and live in Søborg, Copenhagen. In my spare time, I enjoy music, nature and forest shelters & board and video games.
